WELCOME MESSAGE FROM PRINCIPAL'S DESK

Dear students,

Established in 1930 and situated in a desirable and charming ambience, Jagannath Barooah College (**now upgraded to Jagannath Barooah University**), Jorhat has traversed a long way over nine decades and is on the threshold of stepping into the centenary year very soon. The college has grown up into a glorious institution during its long journey with the best academic atmosphere. In the process, it has accomplished many a milestone in the field of higher education in this part of the country with much more yet to be achieved. It is high time to lift the institution to newer heights of excellence by leveraging the contemporary paradigms and discourses of higher education in Science, Humanities and Commerce. We have been constantly striving to provide a quality education that would nurture knowledge, skill and attitude in individuals through a curriculum responsive to the changing socio-economic and cultural realities. Our effort is to realize the motto "The light that never fails" with a noble approach to address in a pragmatic way the educational needs of the society. Re-accreditation of the college with a Grade "A" by NAAC boosted the morale of the stakeholders to work towards lifting the college to a new pedestal to clinch academic excellence and a research culture of a far higher order. It is also pertinent to mention that the college was conferred autonomy in the year 2016 and achieved the 75th rank among autonomous colleges in a survey conducted by Education World in 2021. The achievements that the college has acquired over the past few years are the establishment of modern Research Laboratories, and a Biotechnology Hub, instituting J. B. College Study Centers under KKHSOU and Directorate of Distance Education, Dibrugarh University, to name a few. In 2023, the government of Assam under State Innovation & Transformation Ayog (SITA) established a Civil Service Study Centre in the campus. The college has been successfully operating Post Graduate Programs in various departments and putting in place all efforts to start PG courses in certain other departments. Additionally, Four Years Undergraduate Program (FYUGP) under NEP 2020 has been introduced in the curriculum of the institute which aims at enhancing the creative potential of each student. Moreover, Workshops, National Seminars and other academic activities have been regular feature with unprecedented success. To promote research culture among the minds of young learners cutting across all the streams, the college has also introduced PhD programme. These achievements of the college can be credited to the teamwork of the competent faculty with cooperation, constant support, feedback and expertise of all the stakeholders and we feel proud to be a part of it.

I, therefore, take this opportunity to extend a warm welcome to all to Jagannath Barooah College, Jorhat, to accompany us in our long voyage towards the heights of excellence.

With best wishes

Dr Utpal Jyoti Mahanta
Principal
Jagannath Barooah College
Jorhat :: Assam
2025

1. THE INSTITUTION - A BRIEF OVERVIEW

Jagannath Barooah College is a premier institution of higher education located in Jorhat, a city with a rich cultural heritage and a glorious historical background, in the upper part of the Brahmaputra Valley of Assam. The Institution has been reaccredited by NAAC (National Assessment and Accreditation Council) in 2018 and awarded an "A" grade on the basis of its performance in the field of higher education. The College has also been conferred fresh autonomous status by the UGC with effect from 2016-17. Moreover, the Star College status has been awarded to the college by the Department of Bio-Technology, Ministry of Science & Technology, Govt. of India, under which four Departments namely Botany, Chemistry, Physics and Zoology have benefited immensely.

Further, the college was awarded 64th rank in the NIRF (National Institutional Ranking Framework) of MHRD (Ministry of Human Resource Development), Govt. of India in 2017. Responding to popular demand, J.B. College under the aegis of MHRD and Ministry of Defense, GOI and financial support from UGC has established the Centre for Youth Development which is conducting NCC as a Minor Subject.

The development of modern education in colonial Assam has a close connection with the establishment of this institution at Jorhat. The valuable contributions made by a dedicated group of scholars in the first quarter of the 20th century subsequently led to the formal initiation of an institution known as Upper Assam College at Jorhat in 1930. Just one month later its name was changed to Jorhat College and started its journey with Intermediate Arts (IA) Course under Calcutta University. It was again in 1938 that the college was renamed as Jagannath Barooah College in memory of Jagannath Barooah, the first Graduate of Upper Assam. The founder principal of this oldest institution of the region was Prof. Krishna Kanta Handiqui, a renowned Orientalist, distinguished scholar and academician. The college now has a diversified field of teaching. Currently, it has 22 departments and 2 centers viz., Assamese, Bengali, Biotechnology, Botany, Chemistry, Commerce, Computer Science, Economics, Electronics, English, Geography, Geology, Hindi, History, Mathematics, Philosophy, Physics, Political Science, Sanskrit, NCC, Statistics, Sociology and Zoology. Except for Bengali, Biotechnology, Education (introduced Minor course from current academic session), Computer Science, Sociology, Film Studies and NCC, the other departments have Honours Courses at the Undergraduate level.

The regular post-graduate (PG) programs in Geography and Philosophy were opened in 1995 and 1996 respectively. From the academic session of 2016, the PG program in Commerce, Assamese and Political Science under CBCS was started. In addition to these, currently college also offers Post Graduate Programme in Botany, English, Physics, Mathematics and History. Besides, there are PG

programs in Assamese, Commerce, Economics, Mathematics, Political Science and Sociology under the Distance Education Scheme of Dibrugarh University. There is also a centre of K. K. Handiqui State Open University (KKHSOU) under which different UG and PG programs can be pursued.

2. OUR VISION

Centre of Excellence for Quality Higher Education and for Development of Human Resource.

3. OUR MISSION

Nurturing knowledge, skill and attitude in individuals through a curriculum responsive to socio-economic and cultural realities.

4. GOALS AND OBJECTIVES

To realize the mission of the institution and to create value for our stakeholders, certain key objectives have been identified. Our objectives, which would provide a link between a defined mission and the functional strategies, are as follows:

- To provide a need-based quality curriculum.
- To ensure effective execution of the teaching plan.
- To open up job-oriented courses commensurate with socio-economic needs.
- To foster internal resource generation and its mobilization.
- To ensure sustainable benefit to learners for all-around development.
- To foster computerization in basic operational activities.

Semester: The term “semester” is used to mean a half-yearly programme or term of studies consisting of 15 weeks.

In semester: The term “in semester” is used to refer to the continuous studies and evaluations within the semester programme.

End semester: The term “end semester” is used to refer to the terminal processes of examinations and evaluations at the end of but within the semester programme.

Semester Classifications:

1st, 3rd, 5th & 7th Semesters- Odd Semesters

2nd, 4th, 6th & 8th Semesters- Even Semesters

Semester Duration:

- i. Odd Semesters: July-December (including end-semester examinations and semester vacation)
- ii. Even Semester: January-June (including end-semester examinations and semester vacation)

12. B. CREDITS

One credit typically represents a certain amount of academic workload for a course. In terms of NEP 2020, one credit is equivalent to 30 notional credit hours of academic work or learning hours which includes attending lectures, participating in discussion, completing assignments, projects, studying and appearing for examination.

A student is eligible to appear in the end-semester examination provided that he/she completes required credits.

Students having a shortage of credit hours have to fill the deficit by engaging with the teacher(s) concerned and submitting a certificate to this effect before the examination. Failing to comply with this led to the loss of a year on his/her part and as such he/she shall have to apply for readmission in the same semester after one year.

(As per the 'Curriculum and Credit Framework for Undergraduate Programmes' of UGC, published on December 2022)

Each student will have to study one course in each of the first 3 Semesters from each category as mentioned below. *Students will be allowed to study only those courses which he/she has not studied in 10+2 level.*

Multidisciplinary courses will be provided under the categories of

a) Natural and Physical Science

SL No	Department/ Centre	Course Name
1	Botany	Basics of Botany
2	Chemistry	Chemistry in Everyday Life
3	Electronics	Introduction to Information Technology.
4	Library Science	Basics of Library & Information Science
5	Physics	Physics in Everyday Life
6	Geology	Introduction to Earth System Science

b) Humanities and Social Science

SL No	Department	Course Name
1	Economics	Introduction to Economics
2	Education	Introduction to Education
2	Geography	Geography of Environment and Management
3	Political Science	Foundation Course in Political Ideas and Experience
4	Philosophy	Applied Ethics
5	Sanskrit	Holistic Development of Personality
6	Sociology	Understanding Sociology

c) Commerce, Statistics & Computer Science

SL No	Department	Course Name
1	Commerce	Commerce for Everyone
2	Statistics	Basic Statistics
3	Computer Science	Computer Programming and Problem Solving

15. Skill Enhancement Courses (SEC)

SL No	Department	Course Name
1	Assamese	Creative Writing
2	Botany	Biofertilizers
3	Chemistry	Basic Skills in Chemistry
4	Commerce	Entrepreneurship
5	Economics	Data Analysis and Basic Statistics
6	Electronics	Design and Fabrication of Printed Circuit Board
7	English	Media Writing and Editing
8	Film Studies	Short Film Making
9	Geography	Map Study
10	Geology	Laboratory Techniques: Soil, Water and Survey
11	Hindi	Hindi Vasha Kaushal
12	History	Travel and Tourism Management
13	Mathematics	Computational Method
14	Philosophy	Logical Aptitude and Reasoning
15	Physics	Renewable Energy Harvesting
16	Political Science	Public Opinion and Survey Method
17	Sanskrit	Yoga: Theory and Practice
18	Sociology	Social Survey Method
19	Statistics	Data Analysis using R Programming.
20	Zoology	Aquarium Fish Keeping

* In addition to the above skill-based courses students will be able to opt for courses from the INFOSYS Springboard and SWAYAM in 2nd and 3rd semester.

16. Value Added Courses (VAC) will be as follows-

- a. Understanding India and its Constitution
- b. Environmental Education
- a. Health and Wellness
- b. Digital Technology and Numerical Literacy

17. FEE STRUCTURE FOR 1st SEMESTER UG PROGRAMMES FOR 2025-2026 ACADEMIC SESSION

Uniform Fee structure as per Government notification

Sl No	Name of the Course	Amount of Admission fees in Rupees

21. PGDCA Course for 2025-26 Academic Sessions

Admission & Eligibility

- Candidates, who have passed the Bachelor Degree Course in any stream from a recognized University with at least 40% marks, will be eligible for admission to the PGDCA Course.
- Selection for admission shall be made through an admission test or on merit basis as per College notification.
- No candidates shall be admitted into the course after two weeks of its commencement. This deadline may however be extended by not more than one week, with late fine, under special circumstances at the discretion of the University.
- There shall be no scope for a student to appear as private candidates in this course.

Examination and Evaluation:

- A student must attend 75% of the lectures delivered during the academic session. A student who attends at least 60% of the lectures delivered shall, however, be allowed to appear in the Examination as a non-collegiate candidate on payment of a prescribed fee.
- A candidate shall be entitled to a maximum of two consecutive chances to clear the PGDCA.
- A student failing in one paper shall be allowed to clear that paper in the next consecutive examination.
- Candidate shall have to pass in all the papers separately. The minimum pass marks shall be as follows: Theory: 40%, Practical/Project Viva-voce: 45%.
- A candidate shall have to pass theory and practical part of a paper separately. If a candidate fails either in theory or in practical or in both, the total marks shall be shown in the marks sheet as 'F' indication 'Failed'.
- Examination of the course shall be conducted as per Dibrugarh University Examination ordinance, 1972 (As amended).

AWARD OF DIPLOMA

a) Declaration of results: Normal procedure shall be followed in preparing the results of the candidates for PDGCA. Pass marks and grades awarded shall be given below:

Grade A⁺: 80% and above marks Grade

A: above 60% but less than 80% marks

B: above 40% but less than 60% marks

C: less than 40% marks. (Failed - need improvement)

b) Each successful candidate shall be awarded a certificate for the Post Graduate Diploma in Computer Application (PGDCA).

Fee Payable:

Admission Fee: Rs. 2000/-

Course Fee: Rs. 8000/- per semester.

22. BACHELOR OF COMPUTER APPLICATION COURSE (BCA)

22.A. ADMISSION & ELIGIBILITY:

COURSE DURATION: 3 Years (6 Semesters)

Students opting admission in Bachelor of Computer Application (B.C.A.) must have passed 10+2 level with minimum of 50% marks and duly passed in Mathematics/Statistics/Commercial Arithmetic and Statistics in any Stream.

22.B. FEE STRUCTURE

Semester	Semester Fee (Rs.)	Admission Fee (Rs.)	Total Rs.
Semester I	15,000/-	3000/-	18000/-
Other semesters	15,000/-	..	15,000/-

23. EVALUATION UNDER CBCS/ NEP 2020

A. Certain Key Words:

- Choice-Based Credit System (CBCS): Under the CBCS, the requirement for awarding a Bachelor's degree (Certificate after one year, Diploma after two years, Three years Degree and Four years Degree with honours) is prescribed in terms of the number of credits to be completed by the students.
- Credit Point: The credit point can be calculated as credit attained multiplied with the credit level
- Credit: In terms of NEP 2020, one credit is equivalent to 30 hours of academic work or learning hours which includes attending lectures, participating in discussion, completing assignments, projects, studying and appearing for examination.
- Cumulative Grade Point Average (CGPA): It is a measure of the overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all semesters. It is expressed up to two decimal places.

- e) Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.
- f) Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters O, A⁺, A, B⁺, B, C, F and Ab.
- g) Programme: An educational programme leading to the award of a Degree, diploma or certificate.
- h) Semester Grade Point Average (SGPA): It is a measure of the performance of work done in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
- i) Semester: Each semester will consist of 15 weeks of academic work equivalent to 90 actual teaching days.

The Odd semester may be scheduled from 1st August to 24th December and
The Even semester is from 17th January to 30th June.

B. Evaluation

There will be two stages of evaluation – In semester evaluation and End semester evaluation

In-semester evaluation:

In-semester evaluation will have 30% weight-age and will have the following components:

- An in-semester examination is an abstracted mode of the end-semester examination and other forms of evaluation including group discussion/seminar presentation/home assignment
- In-semester examination shall be conducted by faculty members teaching the course within the centrally determined time period.
- Other forms of In-semester evaluation will be conducted by faculty members teaching the course as per their own schedules.
- Aggregated In-semester marks/ grades will be submitted to the Controller of Examinations within a centrally determined date.

The students will be informed in advance about the nature of the assessment. Students shall compulsorily attend in the process of internal assessment, failing which they will not be allowed to appear in the End-semester examination. A Student cannot repeat In-semester examinations. However, if a student fails to appear in any of the In-Semester examinations for reasons considered valid by the department, the department concerned may arrange a special In-semester examination whenever necessary.

End-semester examination:

- End-semester evaluation will have 70% weightage.
- End-semester examination will be conducted centrally at the end of each semester as per the academic calendar.
- The duration of the End-semester theory examination will be restricted to a maximum of three hours per paper.
- The schedule for the end-semester examinations will be issued by the Controller of the Examinations at least 20 days ahead of the examination.
- The end-semester practical examinations will be conducted by the concerned course teacher(s) with the help of the HOD.
- The End semester examination will be normally a written/laboratory-based examination/Project Work/Dissertation

- The End-semester examination for each course will be of a maximum of three-hour duration.
- Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, will be governed by J B College (Autonomous) Examination Rules 2016 framed on the basis of Dibrugarh University Examination Ordinance 1972 (as amended from time to time).

The following table illustrate the pattern of mark distribution:

Only Theory or Practical Paper			
Credit	Total Marks	IA Marks	End Sem. Marks
4	100	30	70
3	75	25	50
2	50	15	35

Theory Paper with practical				
Credit	Total Marks	IA Marks	End Sem. Marks	
			TH	PR
4 (Th-3+ Pr-1)	100	30	50	20

C. PRACTICAL EXAMINATION

Practical Examinations of a Semester will be held immediately prior to or after the End Semester Theory Examinations.

D. AWARD OF GRADE, GRADE POINT, SGPA AND CGPA

- The absolute grading system shall be applied in evaluating the performance of the students.
- A candidate shall have to secure at least a 'P' grade to pass the course/ programme in both end-semester marks.
- The marks of in-semester examinations obtained shall be carried over for evaluation in the grade of the course.
- The following scale of grading system shall be applied to indicate the performance of students in terms of a letter grade and grade points as given below:

Determination of grade and grade-points for the courses

Percentage obtained in a course/ Programme. (In-semester plus End-semester)	Marks	Letter Grade	Grade Point	Result
90-100		O [Outstanding]	10	Pass
80-90		A+ [Excellent]	9	Pass
70-80		A [Very Good]	8	Pass
60-70		B+ [Good]	7	Pass (First Class)
50-60		B [Above Average]	6	Pass
40-50		C [Average]	5	Pass
0- 40		F [Fail]	0	Fail

00	Ab [Absent]	0	Incomplete
----	-------------	---	------------

Note: Exclusive class interval technique is used here. For example, the class interval 50-60 includes candidates scoring a percentage of marks starting from 50 up to any percentage less than 60.

- e) The letter grade 'B+' and above shall be considered as First Class.
 - f) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or Ab (Incomplete).
 - g) The pass mark of all Theory and Practical Papers of the End semester examination is 40%.
 - h) The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts. **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10.
Percentage of marks = (CGPA X 10)
- i. The Letter grade 'B+' and above shall be considered as First Class and Letter grade 'B' shall be considered as Second Class.
 - ii. A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or 'Abs' (Absent/Incomplete).
 - iii. If a candidate secures 'F' grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
 - iv. If a student secures 'F' grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.
 - v. 'Abs' grade shall be awarded to a candidate if he/she has not fulfilled the following requirements:
 - a. If a candidate fails to appear in any Course(s) in an end semester examination.
 - b. If a candidate fails to submit the project work/dissertation / assignment of an end semester examination.
 - c. If a candidate is certified as not eligible to appear in any course(s) in an end semester examination by the Course Teacher(s) due to insufficient attendance in lectures, tutorials practical or fieldworks.
 - vi. The candidates not appearing in a Semester Examination shall be considered as an 'Abs' candidate and that will be reflected in the Grade Sheet of the candidate. These candidates shall have to convert the 'Abs' grade by appearing in the next examination on the Course (provided he/ she has legitimate chance to appear the Course) concerned or by submitting project work/dissertation/ assignment etc.
 - vii. Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

E. SGPA

SGPA will be calculated for each semester on the basis of semester, according to the following mathematical relation.

$$S_n = \Sigma (C_i \times G_i) / \Sigma C_i$$

Where, S_n is the SGPA for the n^{th} semester

C_i is the number of credits of the i^{th} course and

G_i is the grade point scored by the student in the i^{th} course.

F. CGPA

CGPA will be calculated for the entire programme on the basis of SGPA earned in all the semesters, according to the following mathematical relation.

$$\text{CGPA} = \Sigma (C_n \times S_n) / \Sigma C_n$$

Where, C_n is the total number of credits in the nth semester,

S_n is the SGPA for the nth semester

The following illustrations could be taken as an example for computing SGPA and CGPA: Calculation of SGPA from course-wise credit and grade earned by a student for any semester:

Course	Course-I	Course-II	Course-III	Course-IV	Course-V
Credit	6	5	4	3	2
Grade point	8	4	5	6	8

$$\begin{aligned} \text{SGPA} &= \frac{(8 \times 6) + (4 \times 5) + (5 \times 4) + (6 \times 3) + (8 \times 2)}{6 + 5 + 4 + 3 + 2} \\ &= \frac{122}{20} = 6.10 \end{aligned}$$

Calculation of CGPA from the SGPA's earned by a student in six semesters along with total credit in each semester will be as follows:

Semester	Sem-I	Sem-II	Sem-III	Sem-IV	Sem-V	Sem-VI	Sem-VII	Sem-VIII	
SGPA	6.10	7.20	8.00	7.50	6.90	8.70	8.50	6.20	(Say)
Total Credit	22	22	22	22	22	22	22	22	

CGPA

$$\begin{aligned} &= \frac{(6.10 \times 22) + (7.20 \times 22) + (8.00 \times 22) + (7.50 \times 22) + (6.90 \times 22) + (8.70 \times 22) + (8.50 \times 22) + (6.10 \times 22)}{22 + 22 + 22 + 22 + 22 + 22 + 22 + 22} \\ &= \frac{1300}{176} = 7.39 \end{aligned}$$

Students will be awarded SGPA/CGPA values considering all the papers - core and non-core. Student (s) failing to earn minimum C-grade in individual paper will be declared as unsuccessful irrespective of SGPA/CGPA value to qualify in each semester.

24. RESULTS

The CGPA, earned by a student, will be recorded in the mark sheets of the final semester. Final semester mark sheets will be generated only for those students who have no backlog in the semesters. The SGPA earned by the students will be recorded in the mark sheet of each semester. SGPA will be calculated only for those students who have cleared all the courses in that semester. For those candidates (of any semester) whose mark sheets have been generated, the result will be declared as pass or fail.

Following rules will be applicable for declaration of result as passed.

- a) A candidate will be declared as passed in a course, provided he/she secures- (i) at least 40% marks in the course in the end semester examinations. (ii) at least 40% marks in the course in aggregate in the in- and end-semester examinations.
- b) A candidate will be declared as passed in a semester, provided he/she passes all the courses of a semester independently.
- c) The marks of in-semester examinations earned by the candidate will be carried over for declaring any result.
- d) A candidate who fails or does not appear in one or more courses of any end semester examinations up to Sixth Semester will be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carry over course in the next regular examinations of those courses.
- e) Since the Semester system involves continuous assessment, there will be no scope for a student to appear as a private candidate in any programme in this system.
- f) A candidate will be declared to have passed the Six-Semester Undergraduate programme provided he/she has passed all the Semesters and in all the Courses separately.

25. Re-evaluation:

If a student is not satisfied with the marks awarded to him/her in any end-semester paper, he/she may apply for redressal in standard format within 7 days of publication of the result by surrendering his original mark sheet. The redressal process will proceed through the following stages:

Stage-1. The evaluated script will be scrutinized, and the result of the re-scrutiny will be provided to the student. If satisfied, the process will be terminated; if not it will proceed to the next stage.

Stage-2. He/She will be provided with a copy of the evaluated script. If satisfied, the process will be terminated; if not it will proceed to the next stage.

Stage-3. His/ Her script will be re-evaluated, and the result finally declared.

26. Betterment examination

The student will be given the opportunity of repeating one paper per semester for betterment purposes in the subsequent examination subject to the conditions that (a) the opportunity will be offered for only those courses for 3 or more credits, (b) no betterment opportunity will be allowed for practical papers (c) only one opportunity can be availed per paper opted for the betterment and (d) the opportunity is availed in the very next consecutive examination of the concerned semester.

The candidates will have to apply for a betterment examination within one month of the declaration of the result. In case of betterment attempts, the higher marks secured by the student shall be retained.

27. Declaration of result:

The CGPA, earned by a student, will be recorded in the marksheet of the final semester. Final semester mark sheets will be generated only for those students who have no backlog in the paper of the previous semesters.

The SGPA earned by the students will be recorded in the mark sheet of each semester. SGPA will be calculated only for those students who have cleared all the courses in that semester.

For those candidates (of any semester) whose mark sheets have been generated, the result will be declared pass/fail. For those candidates whose mark sheet cannot be generated due to non-clearance of earlier semesters (in case of the eighth semester) or any other reason (for any semester), their results will be declared as **withheld**.

28. Mark-sheet and Grade Card:

A mark sheet will be issued to each student at the end of every semester recording the course-wise marks/grade/grade-point earned by him/her, the result of the student (pass/fail), and the SGPA of the student (in case of passed students). The CGPA of the student will be recorded in each semester mark sheet.

29. Transcript

The College may issue consolidated Transcript on payment of a prescribed fee which shall contain Letter grades, grade points and SGPA and CGPA mentioning the Course Titles in details, medium of instruction and programme duration.

30. Academic Bank of Credit:

F. KRISHNA KANTA HANDIQUI CENTRAL LIBRARY

The Central Library, also known as Krishna Kanta Handique Library is a learning resource center to support the educational and research programs of the institution by providing intellectual access to information and data. It is situated amid the academic complex of the college and is the hub of all academic activities. It provides comprehensive access to books, journals, reports, e-journals, online databases, old manuscripts, and many other resources covering diverse disciplines. The library is WI-FI enabled which allows users to access online information. Currently, it houses around more than 54797 nos. of books, 27 no.s of subscribed journals, 15 nos. of newspapers, 165 nos. of encyclopedias, 144 dictionaries, 162 no.s of CD/DVDs containing electronic resources, 15 manuscripts, and 3170 back volumes. In addition to these, the library also provides services like reprography, printing, and internet access to its users.

The library has already introduced book-searching facilities to its readers through Web OPAC (<http://jbcollege-opac.kohacloud.in>) through which users can search or remotely access materials available at the library electronically. Further, the introduction of library management software, Koha, has provided a user-friendly book borrowing system.

A new Internet Resource Center with a printing facility at a nominal cost has been introduced in the library for academic purposes. The K. K. Handique Library has also access to nearly 31,35,000 -books and 6,000+ e-journals through N-LIST. The KKH Library is also a member of the National Digital Library of India which provides access to over 10 million documents in seventy different languages. The KKH Library has also registered itself in the NDLI Club. Another achievement of the library is its manuscript section which comprises 15 numbers of rare manuscripts (Sachipotia Puthi). The library also procures numerous collections for various competitive examinations like UPSC, APSC, etc. The library also has a collection of rare books and handwritten magazines. The KKH library provides a three months Library Internship and a week-long Job Diary program to students pursuing a Master's in Library and Information Science from different universities of the state.

During the current Academic Session, the library has introduced a student awareness initiative to use different facilities available in the library through Walk to Library program. The library has also taken initiative for the digitization using the DSpace software.

For Library Membership visit College Website and fill Online Library Membership Form (<http://jbcollege-opac.kohacloud.org/cgi-bin/koha/opac-memberentry.pl>).

34. STUDENTS' SUPPORT

A. Mentoring System:

Effective mentoring of graduate students by faculty members is an important key to a successful graduate programme. Keeping in view to the fact that teacher mentors maximize student growth and development, each faculty member has been assigned a group of students (Mentee) according to the strength of the departments at the Honours level for each semester. The process has been started with the belief that mentoring will help the mentee to reach her or his potential, to accentuate self-confidence and self-reliance, provide career and psychological guidance.

B. Career Counselling Centre:

Career Counselling Cell, under the supervision of the Principal, is a consultancy wing of the college. It is designed chiefly for monitoring the students' academic interest and to disseminate information from time to time to help the student community to choose a career suitable to their needs, interest and aptitude. (Details information is enclosed in the page no 45)

C. Grievance Redressal and Welfare Cell:

Students are the most important stakeholders in the college. Recognising this fact the institution has empowered them to register their grievances regarding any aspect, whether academic or administrative, to the college authority. The grievances may be communicated in the form of written complaint and dropped in at the grievance redressal box placed for that purpose. For the welfare of student community, the cell will attempt to redress all grievances and their identities will be kept confidential.

D. Internal Complain Committee:

JB College is committed to provide a place of work and study free of sexual harassment, intimidation or exploitation. It is expected that all students, teaching faculty and employees will treat one another and visitors to the college with respect. All members of the college community, including those who are in contractual or short-term positions are subject to this policy. Anyone violating this policy is subject to disciplinary actions taken by the Internal Complain Committee. The committee is constituted by the JB College as per the guidelines laid down by the Supreme Court of India.

E. Anti-ragging:

In view of the directions of the Hon'ble Supreme Court in SLP no. 24295 of 2006 dated 16.05.2007 and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging including any conduct by any

student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, and thereby, to provide for the healthy development, physically and psychologically, of all students, the JB College authority has created an Anti-Ragging Squad to implement "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009".

F. J.B. College Women Cell:

The JB College Women Cell has been functioning since 2004. It attempts to sensitize the student and teaching community on issues relating to gender discrimination, women's rights and empowerment. In the past, it has successfully organized programmes on female foeticide, sexual harassment, besides organizing self-defence workshops in association with state machinery. The Cell endeavours to involve both male and female students and faculties in its information dissemination and sensitization activities, so as to foster a healthy dialogue based on mutual trust, respect and co-operation. Besides these activities the Cell has also organized UGC sponsored national seminars and workshops on issues relating to women. Apart from these the Cell is also successfully supervising the crèche cum day-care centre which was established in 2007. In the academic field the Cell is also actively contributing by publishing regularly a peer reviewed Biennial Research Journal SROTOSWINI.

মহাবিদ্যালয়ৰ গীত

(জগন্নাথ বৰুৱা মহাবিদ্যালয়ৰ প্ৰতীক-পটৰ "The Light that never fails" শীৰ্ষক বিষয়বস্তুৰ আধাৰত ৰচিত এই গীতটি মহাবিদ্যালয়ৰ সোণালী জয়ন্তী উদযাপন কালৰ পৰা মহাবিদ্যালয়ৰ গীত ৰূপে গ্ৰহণ কৰা হয়।)

জ্যোতিৰ শিখা এই অনিৰ্বাণ
জ্ঞানৰ শিখা এই অনিৰ্বাণ
অনিৰ্বাণ পোহৰৰ মহা অভিযান।।

সত্য সুন্দৰ জ্ঞানেৰে মহান
বিনাশি অসুন্দৰ আন্ধাৰ অজ্ঞান
সোণোৱালী অতীতক জনাই প্ৰণাম
নতুন প্ৰভাৰ পথে হ'ম আগুৱান।।

কলা-কৃষ্টি জ্ঞান-বিজ্ঞান
সাধনাৰ লক্ষ্য জন কল্যাণ
প্ৰজ্বলিত হওক জুৰ চিৰকাল
জ্ঞানৰ শিখা চিৰ জ্যোতিপ্তান।।
