Process of submitting Google form for all departments will close at 12:00 midnight on 16 May, 2025

➤ The Selection Tests will account for 90% of available seats against each department. The rest 10% of the seats will be filled up through the CUET.

➤ In preparing Merit Lists for both CUET and the JBC Major Selection Tests, Reservation policy will be according to the latest Government recommendations.

➤ Candidates must submit personal details including:

- the last examination passed,
- year of passing,
- marks secured and
- category under which admission is sought, if any,

➤ Applicants should mention their SAMARTH enrollment number in the Google form. **Candidates who have not registered themselves on the SAMARTH portal till date will have to register before the admission and submit the enrollment number to this college. Candidates without SAMARTH registration will not be considered eligible for admission into J.B. College even if they achieve high scores in the Selection Tests.**

➤ After successful submission of the Google form (separate forms to be submitted for different departments), they may check the respective departmental links on the J.B. College website for detailed information on the selection test, including:

- date, time, duration and structure of the test,
- eligibility criteria, and
- mandatory documents to be produced at the venue prior to being allowed to sit for the test.
