## J B College (Autonomous) : Glorious Past and Promising Future

Jagannath Barooah College, since its inception in the year 1930, has been striving ahead for academic excellence in the field of higher education. As one of the premier institutes of Higher Education in the North East, Jagannath Barooah College added another milestone in its journey of 91 years by bagging the 64th rank in the all India rankings released by National Institutional Ranking Framework(NIRF) by the Ministry of Human Development in April 2017. It may be added that this institution is the only one in the entire North East to be ranked amongst the first hundred colleges in India. Reaccredited by NAAC with 'A' grade in the year 2018 and awarded Star College status by DBT with effect from 2016-17 the institution was conferred autonomous status on 13th Oct 2015 and the first batch of students under CBCS( Choice Based Credit System) has already been admitted in the 2016-17 session. The College ranked 75th among autonomous College in a survey conducted by Education World in 2021. The institution has signed MOUs( memorandum of Understanding) with five different organisations to help further the cause of higher education. The organizations are OKD (Omiyo Kumar Das Institute of Social Science), IIE (Indian Institution of Entrepreneurship), Department of Commerce, Dibrugarh University, North Eastern Small Scale Industries Association, Jorhat and NIE LIT, Ministry of Communication. Proud of its glorious past, confident of its present and hopeful of its future J B College marches on in its search for academic excellence.

Behind the establishment of this premier seat of higher education lies the selfless and enthusiastic commitment of a small but highly learned group of scholars of this culturally rich city who, in fact, shaped the destiny of the academic milieu of the North East region in general and the entire Brahmaputra valley in particular. The valuable contributions made by this dedicated group subsequently led to the formal initiation of an institution known as **Upper Assam College** in Jorhat in 19th August, 1930. Less than a month later, i.e., on 4th September 1930, the first Governing Body (GB) Meeting of the Upper Assam College resolved to name the college as **Jorhat College** and this continued till 1938 when, in a resolution of another GB Meeting, it was again decided to rename the college as **Jagannath**

**Barooah College.** The founder Principal of this oldest institution of the region was Prof. Krishna Kanta Handiqui, world renowned Orientalist, distinguished scholar and academician. The other dedicated founder teachers were Prof. Tulsi Narayan Sarma (Founder Secretary), Jagmeswar Sarma, Phanidhar Dutta, Prafulla Pran Changkakati and Gunagobinda Dutta. With a small batch of 14 students in 1930, the college began its journey with Intermediate of Arts (IA) which received formal affiliation from Calcutta University in 1931. Thereafter, the progress of the college was rapid. In 1939, the Intermediate of Commerce (I.Com.), in 1941 the Bachelor of Arts (B.A.) in 1944 the Bachelor of Commerce (B.Com), in 1949-50 the Intermediate of Science I.Sc.) and in 1952-53 the Bachelor of Science (B.Sc.) streams were opened. From 1931 to 1948, the college was affiliated to Calcutta University and from 1948 to 1965 to Gauhati University. Since the establishment of Dibrugarh University (DU) in 1965, the college has been affiliated to it. The college now has a diversified field of teaching. Currently it has 20 departments, viz., **Assamese, Bengali, Biotechnology, Botany, Chemistry, Commerce, Computer Science, Economics, English, Geography, Geology, Hindi, History, Mathematics, Philosophy, Physics and Electronics, Political Science, Sanskrit, Statistics and Zoology.** Since 2013 J.B. College has been imparting Major programmes only. Except **Bengali, Biotechnology and Computer Science**, all other subjects have **Major Courses, Film Studies, NCC** at the Degree level. Since its inception, J.B. College has always engaged itself in its search of academic excellence with the motto **“Na, hi Jnanena Sadrisam Pavitrarniha Vidya”** i.e. ‘there is nothing holier than knowledge’.

Regular Post-Graduate (PG) courses in Geography and Philosophy have been functioning since 1995 and 1996 respectively and PG courses in Assamese, Commerce and Political Science have started functioning since 2016. The department of Mathematics also started Regular PG courses from the current year. Besides under the Distance Education Scheme of Dibrugarh University, there are PG Courses in Assamese, Commerce, Economics, Mathematics, Political Science and Sociology. There is also a center of K.K. Handique State Open University that offers different UG and PG Courses. Equipped with tools like “College with Potential for Excellence”, Grade ‘A’ and autonomy the J.B. College fraternity is confident in its mission of providing a conducive environment for the all round development of the community at large and the students in particular.

## **CORE VALUES**

The rapid technological development at the national and international level, coupled with the privatization, liberalization and globalization processes, have brought in radical changes in the higher education sector in India. It has become imperative that institutions of Higher Education adapt with the demands of these changes and, at the same time, face the challenges of the transitional period to be relevant in the present day social scenario. A holistic and integrated approach of a paramount importance in this regard. The core values of an institution reflect its basic approach to education. **Jagannath Barooah College, Jorhat has adopted the following core values :**

### **(i) Contributing to National Development**

The role of the institute primarily focus in human resource development and capacity building of individuals, to cater to the needs of the economy, society and the country as a whole, thereby, contributing to the development of the Nation. Serving the cause of social justice, ensuring equity and increasing access to higher education are a few ways by which it endeavors to contribute to the national development.

### **(ii) Fostering Global Competencies among Students**

The emerging developments at the national and global level necessitated the skill development of students, at par with their counterparts elsewhere in the world. With liberalization and globalization of economic activities, the need to develop skilled human resources of a high caliber is imperative. Consequently, the demand for internationally acceptable standards in higher education is evident. Therefore, the institute focuses in preparing the students to achieve core competencies, to face the global challenges successfully.

The institute has to be innovative, creative and entrepreneurial in their approach.

### **(iii) Inculcating a Value System among Students**

The institute tries to shoulder the responsibility of inculcating desirable value systems among students. In a country like India, with cultural pluralities and diversities, it is essential that students imbibe the appropriate values commensurate with social, essential that students imbibe the appropriate values commensurate with social, cultural, economic and environmental realities, at the local, national and universal levels.

### **(iv) Promoting the Use of Technology**

The advantages of using modern tools and technological innovations in the day-to-day life are well recognized, the corresponding changes in the use of new technologies, for teaching learning and governance of the institute is imperative. Technological advancement and innovations in educational transactions have to be undertaken by the institute, to make a visible impact on academic development as well as administration. To keep pace with the developments in other spheres of human endeavor, the institute has attempted to enrich the learning experiences of their students by providing them with state of the art educational technologies. It tries to make use of Information and Communication Technology (ICT) optimally.

### **(v) Quest for Excellence**

The central drive of the institute is to develop itself into a Centre of Excellence. Excellence in all that the institute will contribute to the overall development of the system of higher education of the country as a whole. The 'Quest for Excellence' could start with the identification of the strengths and weaknesses.

## GENERAL RULES

1. A student shall lose his/her right of Admission to his/her class, if he/she fails to attend his/her classes continuously for 15 teaching days from the date of the commencement of classes.
2. The courses of study in J. B. College are full time courses. No student can take any other full time course concurrently. If any student is admitted to any other course, then the student/guardian should inform the college authority immediately and discontinue the other course if he/she wants to continue the course at J.B. College. Violation of this provision will lead to disciplinary action.
3. **If a newly admitted student of HS or TDC First Semester fails to attend classes within 07 (Seven) days from the commencement of classes, he/she will forfeit his/her seat.**
4. Students are responsible for their conduct to the Principal and are prohibited from doing anything either inside or outside the college, that amounts to breach of discipline or interference in the discipline and normal working of the college. Students shall be liable to disciplinary action for violation of any of the rules of discipline. Disciplinary action may involve **warning and/or fine, and/or suspension from classes, from the examination, from the use of the college library or even from the college as such.**
5. Students shall conduct themselves in decorous manner both towards the members of the staff (Teaching and Administrative) and towards their fellow students. Insubordination, unbecoming language or indecorous

conduct including teasing, ragging, assaulting others, etc. shall be severely dealt with.

5. Students shall maintain perfect silence in the classroom and desist from demonstration or disorderly behaviour. They must not loiter in the corridor or in front of the classroom and must keep as quiet as possible at all times.
7. Students shall take proper care of the college property, furniture and premises and they must not spoil or cause any damage to, or tamper with the college property, furniture and fittings. They shall not litter the college campus.
8. Students shall leave their bicycles, scooters/ motorcycles locked in the shed provided for this purpose. No two-wheelers should be parked in any other part of the college campus.
9. No Society can be formed in the college without the permission of the Principal, nor shall any person be invited to address a meeting in the college without the prior permission of the college authority.
10. Students shall not bring in to college campus any article deemed by the college authority to have a dangerous and /or disruptive influence on the academic environment. Use of Cell phones is strictly prohibited inside the college campus. Students who fail to switch off their Cell phones inside the class will have to pay a fine of Rs.500/- (Rupees five hundred only). Students found in possession of Cell phones inside the examination hall are liable to be expelled.
11. All students will be required to attend classes and other activities held inside the college campus in College **UNIFORM**.

12. Ragging is strictly banned inside the college premises. Students found to be involved in any form of Ragging will be expelled from the college as per the Supreme Court Order. The newly admitted Students will have to submit duly filled Anti-ragging affidavit on the first day of the commencement of class to the Academic Vice Principal of the concerned stream.

### **Credit fulfillment Criteria**

1. Every student admitted in to J.B. College CBCS 1st Semester programme must fulfill the required credit. (As per the J.B. College Autonomous Regulations, 2016) Non fulfillment of the required credit will result in debarment of a student from appearing in the end semester examination.
2. It is mandatory for a student to appear in the Sessional Examination.
3. The college authority will notify the details of the required credit and other related measures in the first week of August, 2019.

## **JAGANNATH BAROOAH COLLEGE (AUTONOMOUS)**

J.B. College has been conferred the Autonomous Status by the UGC on 13th October, 2015 and the college has implemented the autonomous status from the academic session 2016-17. Moreover, from the academic session 2016-17, CBCS is introduced at the degree level.

### **CBCS : An Overview**

Ministry of Human Resource Development (HRD), Govt. of India, has already initiated the process for developing New Education Policy (NEP) in our country to bring out reforms in Indian education system. UGC participates more actively in developing National Education Policy, its execution and promotion of higher education in our country. It has already initiated several steps to bring equity, efficiency and academic excellence in National Higher Education System. The important ones include innovation and improvement in course-curricula, introduction of paradigm shift in learning and teaching pedagogy, examination and education system. Against this backdrop, a new system called CHOICE BASED CREDIT SYSTEM (CBCS), an internationally acknowledged system, is adopted. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective and skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the

candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed. Already all universities of the country have been making necessary arrangement for introducing CBCS at UG level. JB College, being an autonomous college under DU can make academic plan of its own as per UGC guidelines and accordingly, the college is all set to introduce CBCS from the academic session, i.e., 2016-17. Moreover, a separate regulation for the college incorporating course structure under CBCS, evaluation pattern, etc. has been formulated and presented below for the benefit of all stakeholders.

### **Advantages of the Choice Based Credit System :**

1. Shift in focus from the teacher-centric to student-centric education.
2. Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
3. CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).
4. CBCS makes education broad-based and it par with global standards. One can take credits by combining unique combinations, for example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
5. CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). **Credits earned at one institution can be transferred.**

## REGULATIONS FOR THE B.A./B.Sc./B.Com. PROGRAMMES UNDER CBCS, 2016

### Short Title, Definitions and Commencement :
