Note: The Department does not hold responsibility for inaccuracies in the marks of the students mentioned in this Merit list. All the marks given in the list are given by the candidates-which will be verified on the day of admission. Candidates must produce all the Originals documents (All Marksheets, Category certificate, AADHAR, Passport Photos etc) for verification on the day of admission, failing which their application will be summarily rejected. For students with backlog of one or more years, appropriate Gap Certificate/Court Affidavits must be produced at the time of admission.

Over and above these seats, there will be 4 (Four) Endowment seats that will be allotted after the end of main admission process. The seats will be given within 15 days. The selection for these Endowment seats will be purely on Merit basis only. Interested applicants for these seats, must write an application, addressed to the Head of the Department expressing their interest and mentioning his/her details (Ack No, Marks scored, postal address and contact details –self and parents), and an attached self attested photostat copy of the 6<sup>th</sup> Semester marksheet with the application. The candidate must

submit the application in person to the Head of the Department only, on the day of Admission. Application will not be accepted afterwards. [The fees of the Endowment seats will higher than the regular fees, for one time only and applicants are asked to contact the Office for fees details.]

In situations of more than one applicants securing same percentage for a single seat, the Department will consider the marks scored in the 6<sup>th</sup> Semester marks and preference will be given to the applicant with higher score.

If a student wishes to vacates a seat, he/she will have to give it in writing, within 7 days from the date of admission. The case of the vacated seat and also in the event of the absence of any applicants of certain reserved categories (on or before the day of admission), the Department reserves the right to either freeze or grant the seat to deserving candidates.

Any student who remains absent for more than 10 days after the opening of regular classes without valid substantive reasons (supported by proof of valid documents) and communication with the Head, will be considered to have vacated the seat. He/She cannot claim the seat thereafter.

All the students must read the provisions of Evaluation and Award of Grade, Grade point, SGPA and CGPA as determined by the College and also abide by the Rules and Regulations laid down by the College in the College Prospectus(Pg 37) (available online at college website- link given below).

(Dr. MINAKSHI PHOOKAN HAZARIKA)  
Head ,Department Of Geography
